LAVORAZIONI/ MANUFACTURING

NEVER OUT OF STYLE

L'Azienda è situata nel centro della Toscana in un punto nevralgico tra Pisa e Firenze e nasce nel 1963 dalle sapienti mani artigiane della famiglia Agostini.

Dal 1993 l'Azienda è condotta con impegno e serietà dai figli che avvalendosi dei migliori maestri del legno portano avanti il concetto del mobile made in Italy rispettando il gusto della tradizione dell'alto artigianato del mobile, ma muovendosi con modernità e tecnologia al passo con i tempi in un ambiente familiare ed elegante.

I suoi pezzi oltre ad essere molto raffinati, preziosi nelle forme e negli intagli sono anche di un'altissima qualità che dura nel tempo e non passa mai di moda.

Gli splendidi intarsi insieme agli interventi in foglia d'oro rendono le case arredate con i mobili Agostini belle, eleganti e funzionali.

The Company is located at a strategic point in the centre of Tuscany, between Pisa and Florence and was started by the Agostini, a family of artisans, in 1963.

Since 1993 the Company has been run with care and dedication by two of their children who, taking advantage of the best woodworking Masters, continue the tradition of the Italian style furniture in total respect for the highest traditions of furniture makers and, at the same time, keeping pace with new technological advances and improvements in a familiar and elegant ambience.

His pieces are not just refined and exquisite in shape and veneering but they are also of the highest quality forever lasting and never out of style.

The splendid veneers together with the gold plating technique make the Agostini styled-homes beautiful, elegant and functional.
