

Soft Sofà

LA COLLEZIONE

L'AZIENDA

Nati e cresciuti in una terra dove i divani in pelle sono una forte tradizione imprenditoriale, siamo un'azienda che da più di 10 anni disegna, progetta e produce divani di qualità.

Lo facciamo con passione e grande maestria artigianale - distinguendoci per creatività, design, cura dei dettagli e scelta dei materiali - perchè sappiamo quanto sia importante giungere al cuore della gente nel modo migliore, con prodotti che si indentifichino con il proprio stile, con i gusti personali e le esigenze abitative di oggi.

Alla voglia di esprimere la propria personalità anche nelle scelte di arredo, è quindi dedicata questa nostra nuova collezione destinata ad anticipare nuove tendenze, improntata alla qualità e al comfort del lifestyle italiano.

Ci vantiamo di assicurare a tutti i nostri clienti una produzione realizzata completamente in Italia. Esperienza, qualità, creatività, comfort, design sono caratteristiche che si uniscono nel rispetto della tradizione, capaci di dominare la tecnologia e in grado di produrre il 100% Made in Italy.

L'attenzione alla qualità è la massima così come il contenuto sartoriale dei nostri prodotti.

Tutti i materiali sono scelti e lavorati nel rispetto di rigidi parametri qualitativi.

L'intera produzione è svolta interamente nella nostra fabbrica, da personale altamente qualificato.
